It is intended that orders placed at prices in this list shall consist of not less than five plants of a kind and size, except as noted by ** double asterisks before certain items. Such items preceded by ** may be ordered in quantities less than five.

TERMS.—Cash in full with order or satisfactory references are required of those not having established credit with us. To those having accounts, our terms are net thirty days.

RESERVE ORDERS are accepted upon the condition that they shall be void should injury from any cause not under our control befall the stock before shipment. A twenty-five percent down payment is required with each reserve order. If booked and not reserved by cash payment, we are not responsible for any variety or size being on hand when stock is shipped.
